
Create Excitement with New Fundraiser Catalog

To help you generate more fall and winter fundraisers and to refresh product options, we've developed a new Fundraiser catalog! The new 2007 (July-December) Fundraiser Catalog will be available to order starting Saturday, July 28. The new catalog is now 24 pages and feature 82 products!

A new catalog means that in August and September, the choice is yours! The two catalogs will run concurrently during these months so you can use either the current fundraiser catalog or the new catalog for your fundraising events (or both). Starting in October, only products in the new catalog will be available for orders. Use the following item numbers to order the new catalog.
